

Dear Valued Partner,

In an effort to improve our services to your company, we respectfully request that the following Application for Credit and Account Update form be completed with your business's most up-to-date information, preferences and policies. Please feel free to include any document(s) that your company has previously prepared along with your completed application. These documents help us determine the most efficient way for our sales and billing professionals to continue working with your company in a manner consistent with the level of service your company has come to expect from us. Most of our partners have requested that Invoices and Account Statements be sent electronically and have created email accounts specific to this purpose for their vendors (e.g. accounts@contractor.com). This is a great way for both your company and Interface H2O to expedite and file transactions more efficiently.

On behalf of the entire team at Interface H2O, we sincerely appreciate your help with our efforts to improve our services. We look forward to working together in the upcoming seasons.
